IMMI Honored with Thomas Built Bus Gold Supplier Award

Westfield, Ind. – January 2, 2014 – On December 5th, 2013, IMMI® was honored with the Gold Supplier Award by Thomas Built Bus at their formal Supplier Day ceremony in Greensboro, NC. Only suppliers who average a score of 95% or better in quality, engineering, warranty, logistics and purchasing receive this prestigious award.

For the last three years, IMMI has received the Silver Supplier Award and has worked relentlessly to achieve this new honor. No other bus seat manufacturer received a Supplier Award of any level in 2013.

Larry Gray, IMMI CEO, was grateful to Thomas Built Bus for the recognition and to IMMI team members for their hard work and dedication. “Like Thomas, IMMI has high standards for quality, and we’re so pleased that our team’s commitment to building the best bus seats on the market was rewarded with the Gold Supplier Award,” Gray said. “IMMI appreciates what an honor this is, and we’re grateful to Thomas for the recognition.”

About IMMI

IMMI®, based in Westfield, Ind., has been the industry leader in child and bus passenger protection for more than 30 years. Within the past decade, IMMI has introduced belted seating under its **SafeGuard®** brand to the U.S. school bus, motorcoach and commercial bus industries. Utilizing a modern crash-test facility, sophisticated engineering and advanced manufacturing operations, IMMI develops and supplies innovative, proven SafeGuard restraint systems and seating solutions for customers worldwide.
