IMMI Announces Vice President of Human Resources

For Immediate Release:

July 7, 2014

(Westfield, Indiana) - Global safety leader IMMI® announced today that Jon Tice, a veteran Human Resources Director in the automotive industry since 2006, will join the company as Vice President of Human Resources.

Tice will lead IMMI's HR strategies and programs for more than one-thousand employees worldwide. He is also responsible for recruitment, career and performance management, retention, and workforce benefits.

"Jon has distinguished himself in a number of leadership positions throughout his career, and we're thrilled to have someone of his caliber on our Executive Team," said Larry Gray, IMMI CEO. "Jon has the experience, knowledge, and vision to build upon our inspiring company culture, and strengthen our entire team."

Tice is a graduate of Bob Jones University and is an accomplished author. He begins his first day at IMMI on Monday, July 14th.

About IMMI

IMMI®, based in Westfield, Ind., is the leader in the design, testing and manufacturing of advanced safety systems. IMMI produces hundreds of innovative products for various industries, including the school bus, commercial vehicle, fire/ambulance, child seating, military, off-road, UTV, outdoor, and motorcoach industries. IMMI is also home to CAPE®, the Center for Advanced Product Evaluation, which was awarded the 2011 Crash Test Facility of the Year by *Automotive Testing Technology International Magazine*. Privately owned and operating facilities in North America, Asia and Europe, IMMI is dedicated to Bringing Safety to People® around the world.
